Subject: Love ETC Love Family

You will find 2 attachments

1. Directory listing of all files in TheTruth directory and subdirectory, permissions all owned by me, names of files, dates, and sizes. Please be sure no files are missing and that you check all properties listed above to make sure no tampering.

The other attachment is the same but for entire home directory. You want to focus on IDMS and BSS for Events 3 and 4. Thank you If anything is missing or off please request a backup restored to new location from Day I was walked out.

Please note this email as others was shared with potential legal team.

Talk to you all soon

Love you all Richard
