Matt you need more capacity or maybe another HR resource to help, Lets change meetings to daily

Please remind people that they will most likely be asked same questions in court under oath of God. If it helps I am happy to sit on all these interviews with you to help get the truth.

Open 6/3 Matt get Rich's Last Checkin and Review Sankar's checkin on 4/22 or 4/24, and Rich's response. Sankar checkin is unfair and misses alot of data. Matt please review and see why Rich believes this is unjust. Also interview Sankar if he did this all by himself or if he was influenced by others. If other by who?

Open 6/3 Matt ask Sankar if he reviewed rich's zip file and why did after Rich explained it to him and showed him all the evidence why he complained about it in the checkin. Please ask him if he know regrets that decision. Please also ask Sankar why he declined invite on AO role from Rich with Brenda and Ashish as experts. Shelly, Nates boss was in town since Mike Ashworth was there that day. Ask Frank if machine in that corner office was setup for Rich. Also ask Frank Castagna if he told Ali Ahktar that it work be Friday 1/31 instead.

Please note i will convert to excel and share and share full running list, will make easier to do. Matthew how many hours a week are you assigned to this investigation. Please request from your manager and we can meet daily.

Open 6/3 Please ask Mabel why he email to Rich lacked many details and made it look Rich was a creep when there were numerous interactions throughout the period which are heavily documented. Please ask her if she did this on her own or did she get guidance for anyone. Please ask her if she now regrets how she framed the email.

Open 6/3 Please ask Tamara Keen if Nate commented to her in a conference room a few days after during the next week that the Friday Harassment/Teston 1/31 on Rich was an epic fail. Please ask Nate separately if he made the statement.

Open 6/3 Please ask Joe Walsh if he purposely doctored up weekly highlights 3 times after Rich submitted for him to review. Rich reviewed and corrected and made him rereview. Please ask him if he did this on his own or got guidance from other people.

Other tidbits to share

Vaman, Rich warned Vaman not to get involved with options. Vaman did anyway he wanted to get his on learning and lost alot of money. In Rich's text to him Rich gave advice on market and timings and Vaman made incredible amounts of money. Vaman then stopped listening to Rich and lost in all. God Bless Vaman for being able to all this significant option trading during work.

(Questions below are not my business, but because they put in a false claim on me to get me fired for warning them I would expose them now they made it all of our business)

Open 6/3 Ask Mabel is she ever told Rich that she spends considerable times and Vaman and sleeps over

Open 6/3 Ask Fei if he spends considerable time at Vaman's apt and sleeps over

Open 6/3 Ask Mabel, Vaman, and Fei if they do Netflix, Game of Thrones, etc binges at each other apts where they sleep over

Please note this is just a starter list I will have many more questions for you to give guidance on. This is just starter for event 5. For other events my legal team and I will discuss how we engaged the no longer Chase Contacts. Many are not listed on this deck also. I have provided them all contacts emails and phone numbers to make this easy on my legal team. Please ask Chase legal team if they want to consider pursuing out of court negotiated decision, ie settlement or if this is premature. Alot of damage was done to my children, Marriage(exwife), and myself on first 4 events. And unfortunately alot of mistakes make by IT Management, EPA, and even doctors (out of scope for this settlement, might be separate action taken for that)

Please note this will go incredibly faster if I was in office. I will start preparing documentation for Chase to provide pertinent documents for investigation to my legal team.

opened 6/2 Rich sends Mathew a list of question about scope and TImelines of investigation

opened 6/2 Rich asked for initial investigation but was never done. Was to review all vacation time take at the same time with Fei,Vaman, and Mabel over the last year. Rich knows of Vermont trip and others. Also parking videos of all there car pooling. Let's add seat assignments on Friday's, wondering why she sits with both of them every Friday(?)

Other Facts(Now I have a cleaner understanding of who was meadiling against me at the Journey, So I see why with all the bad mouthing of me at work, and meddling at the Journey, and lies in Jan email) NOw we know why she feared for her safety it was self induced for all the bad stuff she was doing against me. Doesn't this all make sense, please see below

6/2 Fei want to talk a little admits he showed Mabel text and she sent to Brian from Journey, said he didn't know about Mabel's Jan email

Brian R also has rich's deck from 2 people looks like Mabel and 1 other person to be determined if we go to court. received.

Rich also met with Brian R from Journey before his baptism to review his life and Brian slips and mentions Rich will have an integrity break in about 2 weeks, which lines up with approx 2 weeks before HR meeting that Rich was pulled in on one day's notice to meet with Pasca

Rich wanted to teach leadership classes at Journey and was initially approved, Brain meets with Rich on 2/12 and slips that Mabel says my Leadership is different than the churches. Brian makes Rich wait and Join his J-group
